

Due to COVID-19, our donations have been very low. Even though we have been able to receive new and unopened items we haven't received many over the past three months and are running out of essential items in our domestic violence shelter. We greatly appreciate any help with the items listed below (** items are those needed the most).

- **Laundry detergent
- **Disinfectant wipes
- **Bleach
- **Dryer sheets
- **Twin size sheets
- **Pillow cases
- **Pillows
- **Twin size comforters/blankets
- Toilet paper
- Paper towels
- Floor cleaner
- Multi-purpose cleaner
- Febreze/odor elimination spray
- Washing machine cleaner
- Sippy cups/toddler drink cups
- Brooms
- Mop buckets
- Kleenex
- Pots and pans
- Baking dishes
- Kitchen storage containers
- Laundry baskets
- Adult and children's hangers
- Dish sponges
- Paper plates
- Women's and children's (boys and girls) underwear of all sizes

We also take all new personal hygiene and cleaning supplies. If you have any of the above items and they are gently used (pots, pans, laundry basket, etc.), we are able to take them but I ask that you e-mail or call to let me know so we can make sure to store those separately for a few days.

You can drop donations off at my office anytime Monday – Thursday 8:30am-4:30pm (enter the back courtyard door; my office is now the first door on the right when you enter). You can also schedule a time for me or one of my staff to pick up the donations.

As always, we greatly appreciate your support!
