St. John Lutheran Church-Ingomar

TODAY

YESTERDAY

Pastor John
In Christ,

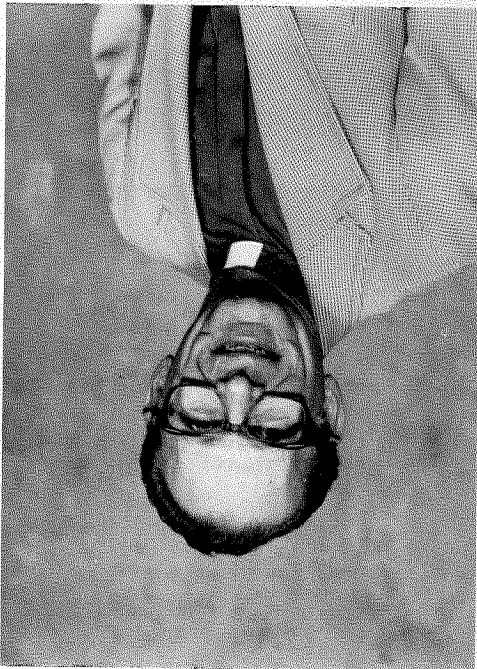

Our history as a congregation goes back to 1891. From a beginning in an abandoned structure to our present sanctuary and parish hall the membership of St. John has shown itself to be dedicated to the Gospel.

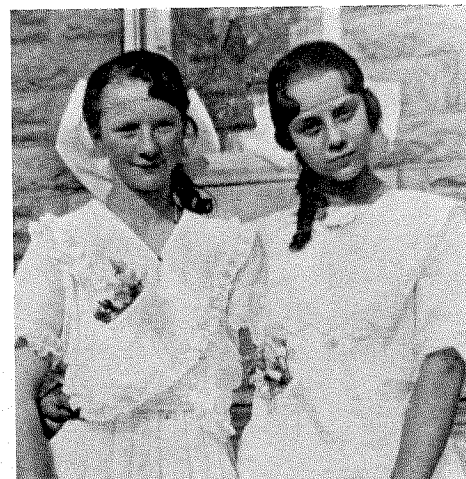

We are a small, rural congregation of the Ohio Synod of the Lutheran Church in America. Small in numbers, there is with us a great desire to do big things in the name of Christ. Rural in setting, we reach around the globe in our efforts to carry out our mission.

In his first letter to the church in Corinth Paul wrote, "So faith, hope, love abide, these three, but the greatest of these is love." I am blessed to be pastor to a congregation of people among whom love abides in such great abundance.

May the God of love continue to bless our common ministry as we go forth to share love in His name.
